

NRHA EUROFUTURITY IRHA FUTURITY – CAMPIONATO ITALIANO CREMONA MAY 15-22, 2021

PROCEDURES FOR THE PREVENTION OF COVID – 19

The following **mandatory rules** have been determined in order to **minimize the risk of spreading the virus** in presence of an **important number of athletes and/or parties**. Each individual's behaviour will help contain the spread of the disease and facilitate activities and preventive measures taken by the organizer in this regard.

Hereby follows a summary of the obligations and rules of conduct.

Prior to attending the event

Each individual that is allowed to enter the premises of the event must:

- 1) **Fill in the individual registration online form** named “FUTURITY COVID-19” which can be found on www.salonedelcavallo.com.
The following is requested in the above mentioned form:
 - a) Personal data.
 - b) Reason for requesting entrance.
 - c) Declaration of absence of symptoms relative to COVID – 19.
 - d) Vaccination certification and/or negative RAPID COVID test performed 48 hours prior to entry at the event (please note that upon arrival at the fairgrounds it is possible to be rapid COVID tested organized by the organizers with costs paid by individual users).
N.B. Copy of the test result must be uploaded.
 - e) Documents and forms must be approved.
- 2) **An identification document will need to be presented** in order to verify the data submitted as per above described procedure.
- 3) **Undergo individual temperature measurement.**

During the event

Each individual must:

1. **Wear a mask** in all closed or covered premises.
2. **Maintain social distancing of at least 1 meter** with individuals that are not part of their family unit.
3. Sanitize or wash hands frequently.
4. Scrupulously observe rules issued by prevention and control personnel.
5. Stay within the facilities for the minimum time necessary for training and/or competition sessions.
6. Avoid contact and accidental contact with other people.

NRHA EUROFUTURITY IRHA FUTURITY – CAMPIONATO ITALIANO CREMONA MAY 15-22, 2021

7. **In one's stable** (stalls assigned for the event) **follow all prevention rules** designed to avoid contact between individuals or surfaces exposed to handling. For example, disinfect saddles, bridles, products for the cure and hygiene of the horse each time they are used and prevent the use of these by others; use single-portion drinks marked with your name, etc.
8. **Should signs pertaining to the pandemic appear, immediately contact the event medical personnel** and follow the indicated procedures. Immediately invite members of your family unit to avoid any form of contact with others.
9. Please advise personnel in charge about any non-compliance to regulations by others present inside the premises.
10. **Have your temperature measured daily** by medical personnel present at the venue.
11. Pets must be kept in own campers or in own stalls.
12. Considering **the national curfew hours, entry to the venue is not permitted between 10.00 p.m. and 05.00 a.m. of the following day. Exit to return to one's domicile is always permitted.**
13. Testing. During the event, and upon individual request, it is possible to be rapid nasal COVID tested at the venue and/or at a private laboratory in Cremona (costs will be charged to the user).

For those leaving Italy following the show:

Travelling rules vary, depending on the country of origin. In any case, a negative COVID-19 molecular or antigen test is often required.

In order to further assist foreign participants, we have provided two specific services.

Regular re-entry (last day of the show / following day) **On the Friday (second to last day of the show), at CremonaFiere (venue the show is held), a testing area will be provided to all those concerned (details will be displayed at the show office).** The digital result will be available in 24 hours (i.e. the day of departure or the day before) in two languages (Italian and English). The cost of the service – according to market rates – will be paid by each individual.

Early return On any given day (excluding Sunday) participants have the opportunity to be tested at an affiliated laboratory during specific time slots and will have access to an immediate access lane. The digital result will be delivered within 24 hours in English and Italian. The cost of the service – according to market rates – will be paid by each individual.

INFORMATION ON PERSONAL DATA PROCESSING

Pursuant to EU Regulation no. 679/2016 (GDPR), information is provided below regarding the processing of personal data of subjects participating in sporting events under the FISE until May 22, 2021.

Data controller:

TFY SRL – Via XXV Aprile, 115 – Flero BS

Type of personal data processed and of interested parties

Within the limits of the purposes and methods defined in this information, the following are processed:

- a) data relating to body temperature;
- b) data relating to non-submission to quarantine measures.

The personal data being processed refers:

- a) to members of the Italian Equestrian Sports Federation (FISE). With respect to these interested parties, this information supplements that already provided for the processing of personal data functional to the establishment and execution of the employment relationship
- b) to the collaborators of the Organizing Committee.

Purpose and legal basis

Personal data will be processed exclusively for the purpose of preventing contagion EHV contagion. The legal basis of the processing is, therefore, found in the implementation of the guidelines.

Nature of the provision of personal data

The provision of data is necessary to participate in competitions under FISE until May10, 2021.

Method, scope and duration of the processing

The processing is carried out by staff and / or collaborators of the Organizing Committee and / or FISE – should information be transferred. With reference to the measurement of body temperature, no data recording is required. The identification of the interested party and the recording of the exceeding of the temperature threshold could take place only if it is necessary to document the reasons that prevented access. In this case, the interested party will be informed of the circumstance. The data will be processed for the time strictly necessary to pursue the aforementioned purpose of preventing the EHV infection and will be kept on file by the Organizing Committee no longer than the term provided by federal guidelines. Personal data will not be disseminated or communicated to third parties, except on the basis of specific regulatory provisions (eg in the event of a request by the Health Authority for the reconstruction of the chain of any close contacts).

Rights of interested parties

At any time, interested parties have the right to access their personal data, to request corrections, updates and relative cancellation. It is also possible to oppose the processing and request its limitation. These requests can be addressed directly to the Organizing Committee. Furthermore, in the event that it is believed that the processing has been carried out in violation of the legislation on the protection of personal data, the right to lodge a complaint with the Guarantor Authority (data protection authority), Piazza Venezia, 11 - 00187 - Rome is recognized.
