INDIVIDUAL DISCIPLINARY CONDUCT

In order to contain the spread of the pandemic, each of us is responsible for our conduct.

In particular, within CremonaFiere, and during the exhibition period, everyone must:

1. Always wear a personal protective device (masks) inside all closed or covered spaces.
2. Respect social distancing maintaining at least 1 meter from other individuals who are not part of your family group.
3. Frequently sanitize or wash your hands.
4. Scrupulously follow the rules issued by the prevention and control personnel.
5. Stay inside the facilities for the minimum time necessary for training and / or competition sessions.
6. Avoid contact, even accidental, with other people.
7. Within your own stable (stalls assigned for the event) implement all preventive measures to avoid contact between individuals or surfaces exposed to handling. For example, each time disinfect saddles, bridles, horse care products, to prevent possible use by others; use single-portion drinks marked with your name on them, etc.
8. If symptoms attributable to the pandemic in progress occur, immediately contact the health personnel of the event and follow the procedures which will be communicated, instantly inviting your relatives who may be at the event to refrain from any form of contact with third parties in general.
9. Report to the staff in charge if anybody inside the facilities doesn't follow the rules.
